The kinkiest big-titter special ever!

You know how, when a smokin' hottie walks by, some wise guy will say, "Somewhere, there's a guy who's sick of fucking her." Yeah, we never understood it either, especially if she's a babe like Colt 45 here. But just in case some of your dicks are half-dead and you need a little something extra, we've put together this special issue of *Buxotica*, jam-packed with the most outrageous, shocking and kinky photos of the mammary Amazons you've cum to know and love from *SCORE* magazine.

Like the incredible Crystal Guest, *SCORE*'s 2003 Newcomer of the Year, looking like a hot extra from the set of a James Bond flick—Goldfinger, maybe?

Or busy beauty Sareena Lee squeezed so tight into a red Satin gown that you'll be crying about how the devil made you do it.

We cover a cum-load of other fantasies, too. French maid tickle your balls? Yep, Ashley Evans slips in and out of that uniform quite nicely. Wish your office manager was a buxom blonde? Kayla Klevage stuffs a business suit like a pro. Want some hot, old-time girlie-girlie action? Summer and Claudia put on their mommas' ghillies and go at each other like they've been parched for pussy.

And that's not all. The legendary Maxi Mounds makes a guest appearance in a water-logged layout that should float your boat; Denise Derringer is the head nurse in a

ward full of horny health care providers; we round up a herd of the sexiest cowgirls and farmers' daughters ever to exist outside your wet dreams, and much, much more.

What does all this have in common, you ask? Well, besides the pages and pages of beautiful boobies, we guarantee this is some of the kinkiest stuff these chest-blessed stunners have ever done in a magazine. And it's all gathered here in one collectible edition, just for you.

## He changed his whole life for his busty bride—and her girlfriend!

FICTION BY PAULINE WORTH

I've been a sailor since I was old enough to walk. I grew up on the North Atlantic, and learned everything I knew about seafaring from my parents, who had the same sort of upbringing. We were a family of fishermen, charter captains, deckhands, and the like. My love affair with the sea has never disappointed me.

I only wish I could say the same about Lorraine.

Long story short: I was working a few jobs in Maine for the summer. She was on vacation, doing some hiking on the coast. She was born and raised in Arizona's high desert and the sea was a whole new experience for her. It was an unseasonably hot summer in Maine, as

though Lorraine had brought the heat with her, and we spent many days on my small skiff, getting tan and catching fish and fucking like rabbits on parole.

She was a natural blonde with no tan lines and high, round double Ds. I'd always been a breast man, but she was my first augmented experience and I was hooked. Those heaving mams laughed in the face of gravity, and my cock still stirs when I think about her tawny nips rising and falling as my boat rode the swells of the Atlantic.

It was really the ocean that seduced her, not me. The first time I took her out, she showed up in a t-shirt and cut-offs, hair in a ponytail, no makeup. She was blonde and shapely and 24 years old. The baggy top was camouflage,

and when the boat cleared the bay, the sun came out from behind the clouds and she readied herself for tanning. As I steered us to a secluded spot with a beautiful view of Maine's craggy coast, she peeled the t-shirt off to reveal a crocheted string bikini.

Splaying herself on the bow, knees bent and dangling calves into the spray, she pulled her glasses down and removed her top, exposing her magnificent, massive orbs to the sun.

I pulled hard to starboard, looking for a place to drop anchor. Meanwhile, Lorraine, still topless, stalked astern and wrapped her body around me, expertly maneuvering my cock from my trunks as I maneuvered the vessel over the swells. She whispered in my ear,

"I want to squash your big dick between my tits," she purred.

"I want to watch you fuck them and come on my face."

"I want you to squeeze them hard while you do me from behind."

I almost shot a load over the wheel.

At last, I tied us up on one of the lobster fleet's floating moorings and had her in my arms. She kissed me hard, tongue searching, then dropped to her knees and swallowed my pole in one gulp. I watched in awe as she worked me in and out of her mouth. I was close to the edge, and I wanted her pussy. I just had to watch those tithe bounce while I nailed her to the deck.

Laying her back atop the roof of the boat's cabin, I peeled off the bikini bottoms and exposed her natural blonde bush. It was glorious, showcasing pearly slick inner lips begging me to taste. She spread her legs, and I spied her honey hole. Choices, choices...they should all be like this one.

I bent and buried my lips, sucking and slurping her twat noisily, tonguing her clit as her body egged me on.

Rising to my feet, I braced my hands on her smooth hips and plunged my cock in to the hilt. She moaned like an animal, grasping her breasts and tweaking her nipples while her delicious pussy squeezed and kneaded my rigid rod.

I watched her as I rammed her, enjoying the view as she brought each engorged mammary to her mouth to lick those diamond-hard nipples. They were like pale strawberries, erect and pointy, and I couldn't resist, allowing my tongue to dance with hers over each of them while she purred.

At last, right on the edge of orgasm, I pulled out my cock and buttered her breasts with it. The juice from herpoon provided ample lube and it slid easily between the firm melons, the tip teasing her lovely lips on each drive. Then, she peyched me out and pushed her mouth forward, catching the purple head in her maw and forcing her spongy breasts against my shaft. It was too much, and instead of letting me spew all over her face, she downed every drop like it was nectar.

Unbelievably, the sex only got better

from there. I christened my boat the Lady Lorraine and we trucked it back to Arizona—a resort area on a lake. We got married and life was good.

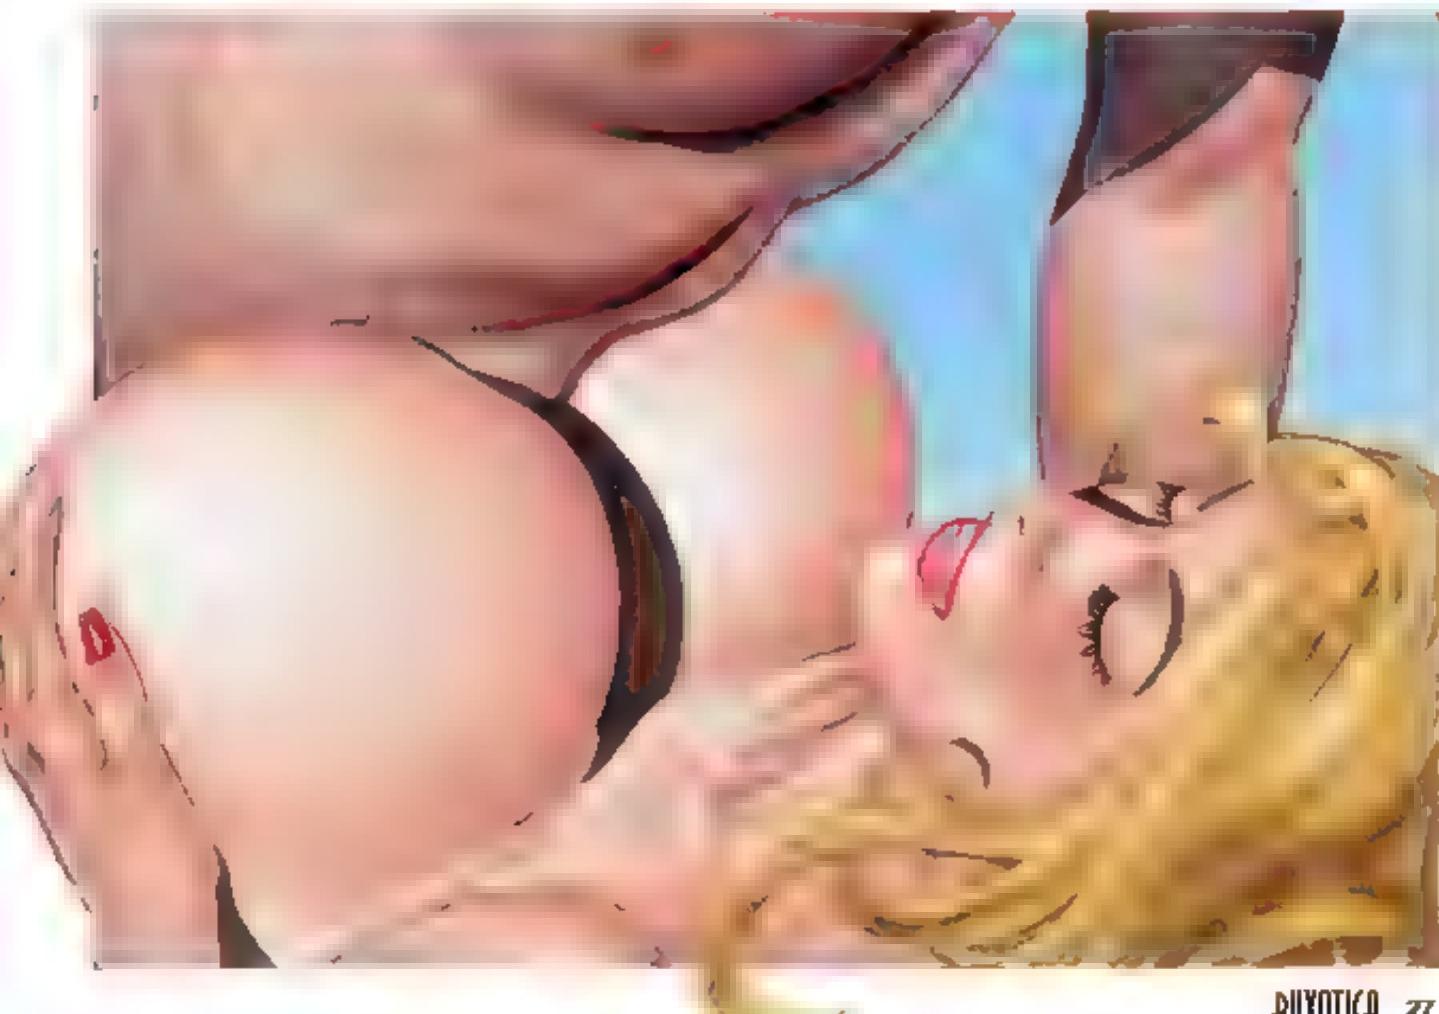

I took a job making sails for rich weekend yachters and moneyed retirees with a penchant for double- and triple-masted fare. And she, after a string of jobs with minimal pay and maximum stress, started dancing at the local gentlemen's club.

That was where it started to go south. I enjoy watching busty broads ride the pole as much as the next guy, but I didn't like sharing her with the tourists. Or the locals. It's hard to enjoy a beer with your buddies when your wife is flashing her pussy in hopes of someone tossing her a twenty.

I still loved her. We were working on our issues. But at that time, I was living on a friend's houseboat in exchange for maintenance and working from its generous salon. I missed her, but it was nice living, I must admit.

Ironically, the profession that nearly ended my marriage is what helped me transition to another lucrative career.

## "I want to squash your big dick between my tits," she purred.

one I had equal passion for. My skill with a sewing machine had saved Lorraine on several occasions when she was feature dancing. Though her smooth, succulent breasts stood prone like a comic-book goddess, custom breasts needed custom brassieres.

After fixing a few straps and underwires, I began to enjoy the creative aspects of the job, and in my spare time began designing new contraptions to showcase her lovely rack. Each time she wore a new design to the club, I got a new stream of compliments from her bodacious colleagues, and Lorraine seemed to double and triple her tips.

I guess once they heard we separated, the other dancers were looking to increase their earnings, and my business boomed. Then, just the other morning, I was awakened by the sound of high heels clacking along the dock.

"Jerry?" a woman's voice called. I struggled to place it. It was alluring and husky—like Demi Moore.

"It's Nina, Jer."

Ah, Nina. The Beaver Dam was hardly the ritziest strip joint in the world, but for our little town it was pretty upscale—and Nina was their star. With

long legs, cat-like grace and a wild mane of sun-kissed blonde hair—think Pamela Anderson in her *Baywatch* days—she was elegant and talented enough to headline anywhere, but she was a small town girl whose popularity at work made her the undisputed top earner.

She had a beautiful home on the hillside overlooking the lake and she'd earned it all in stilettos, moving her lithe, lanky frame from stage to stage. Her warm and winning smile and bright blue eyes didn't hurt, either. She had legions of admirers—both men and women—who came to see her regularly.

That said, she hadn't been around for weeks. I figured she'd taken a long-deserved vacation. She must be back in town and eager to plan some wild new costume for her big return.

"Hey!" I called, pulling on a robe and some pajama bottoms and reaching for the Listerine. "I'll be right up." Had I known how ridiculously true that statement was going to be, I wouldn't have bothered to get dressed.

I stepped out on deck to help her aboard and stopped dead in my tracks. Nina was wearing a strapless, pale yellow sundress that clung to her tiny waist and shapely hips, flaring slightly in a two-tiered ruffle that advertised impossibly long and perfectly toned thighs. She wore no hose; just high wooden heels with a simple brown

leather strap that showcased her dainty feet. You'd never have known she stomped around in six-inch medieval torture devices for a living. Personally, as a boater, I rather liked a girl in plain old flip-flops or bare feet—but these were really sexy.

"So," she paused dramatically, "Whaddya think?"

Her delicate fingers splayed about her breasts like Vanna White showcasing a vowel.

The mystery of Nina's absence was clear in a nanosecond. She'd been to the surgeon, and a good one. Exploding from the top of her neckline, like prize pumpkins at the Maricopa County Fair, were Nina's new appendages. Ee? Fa?!! I couldn't even fathom. They were bigger than Lorraine's. And rounder. And natural-looking.

In the years since Lorraine's boob-job, the medical community was getting better at giving augmentations a more authentic look. These really looked like they were sculpted by something divine.

And all I could think about was sliding my dick between them.

Before I could move or think of a distraction, my cock was rigid, standing out at a 90-degree angle and creating a double tant effect in my loose PJ's and robe. My jaw was glued to the dock as I gazed up at her. She was an illustration.

Written By Elliot James

**B**ig breasted models and strippers show you more than they will show their gynaecologists in the just released

DVD series SCORE Classics #1 & #2. Their tits are so huge and heavy, a guy could get a massive hernia just lifting them. In SCORE Classics, the world-famous hooters of Casey James, Angel Eyes, Heather Hooters, Alexis Love, Candy Connell and Tanya Danielle are showcased in ultra-explicit nude modeling packed with jug-play, pussy spreading and dildo plugging. In SCORE Classics 2, Mazi Mowgli (the new Guinness World Record holder for "World's Largest Augmented Breasts"), Texas superstar Celi 45, Britney Love, Ariana, Dawn Stone and Bobbie Remyx dance, strip and get totally raw, spreading their coochies and buttholes wide to give you the inside scoop of what they're made of in the raunchiest solo modeling a breast-loving hombre could want. They know the mind of the boob-man all too well.

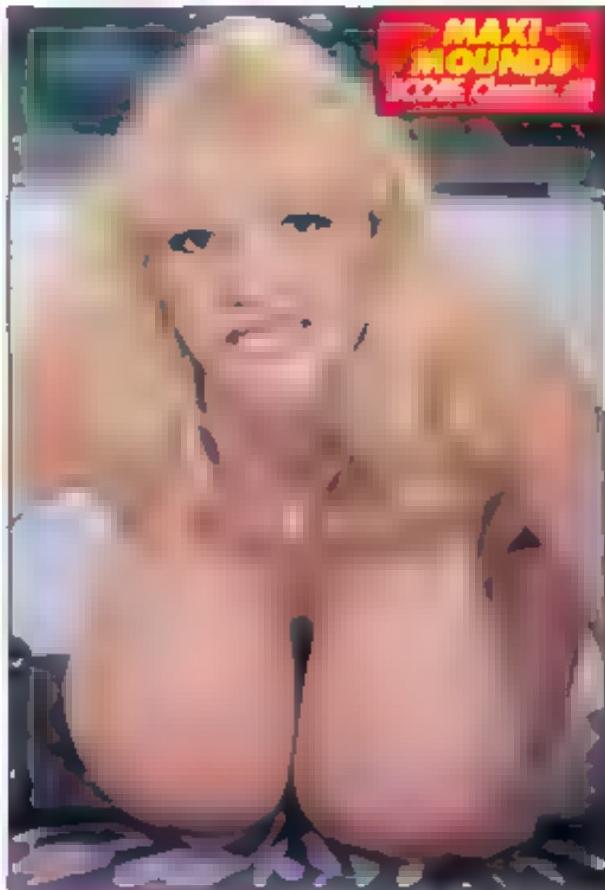

## BRENTANY LOVE SCORE Classics #2

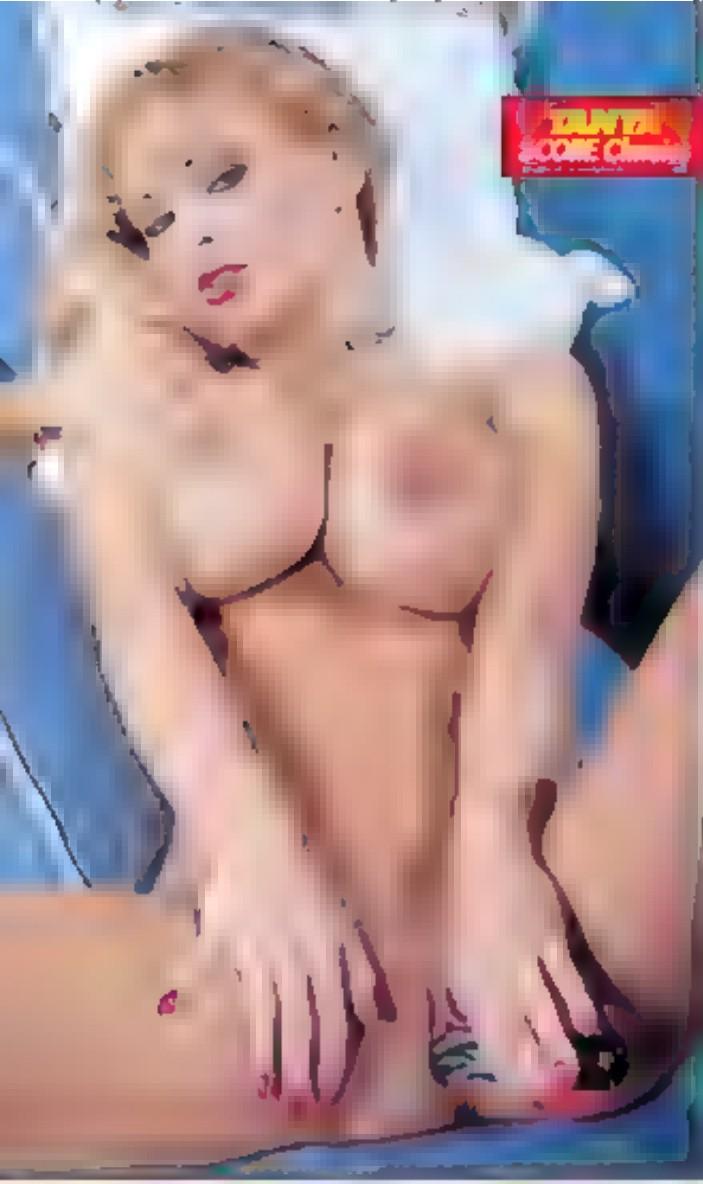

Let's start with Casey James, one of the stars of the wildly popular SCORE DVD Mega-Boob Olympics. In SCORE Classics #1, the action takes place in South Florida. Casey James goes for a rug-jogging jog in a residential neighborhood, her enormous boobbags bouncing like basketballs. The neighbors must have been glued to their windows during this scene.

*"How I  
love sucking a nice  
cock. Did  
you know I  
give the  
best blow  
jobs ever?"*

**W**hen she's not modeling and starting her adult business, known Ashby Evans is a respiratory therapist who jokes that she can give a patient a heart attack with a peek at her tie, then revive him. We'll cover the smugly smirking later in the magazine. For Ashby, we decided to go with what might possibly be the original dirty fantasy—a sexy French maid. Why is this image so freakin' hot? Could it be the outfit, the leather dinner? Or is it just the idea of having a babe like Ashby at our beck and call that's so friggin' kinky?

*"I like to play  
the busty cum  
slut and be the  
nasty girl. I  
love the guy,  
and when I  
find a big cock,  
I'm ready to  
party."*

**O**f course, a woman as accomplished as Ashley wouldn't be our maid. But this issue of *Bomberica* is all about our wildest fantasies, and Ashley just about surpasses them all with the way she loses the uniform, but keeps on that little cap. As Paris Hilton would say, that's hot.

**A**nyone in their right mind would be happy with either for this special edition? Put together two of SCORE's sexiest girls, dressed up like models in an old-time magazine layout you'd find stashed in your dad's sock drawer.

For you number crunchers out there, Summer checks in at 34666, with Claudia right behind her at 36000. And neither one of them needs to wear a girdle (Summer's a slim 'n' stacked 43-26-35, and Claudia's a curvy 42-24-36), but it just seemed dirtier, somehow, to dress them up in the kind of old-school, vintage lingerie you just don't see anywhere anymore.

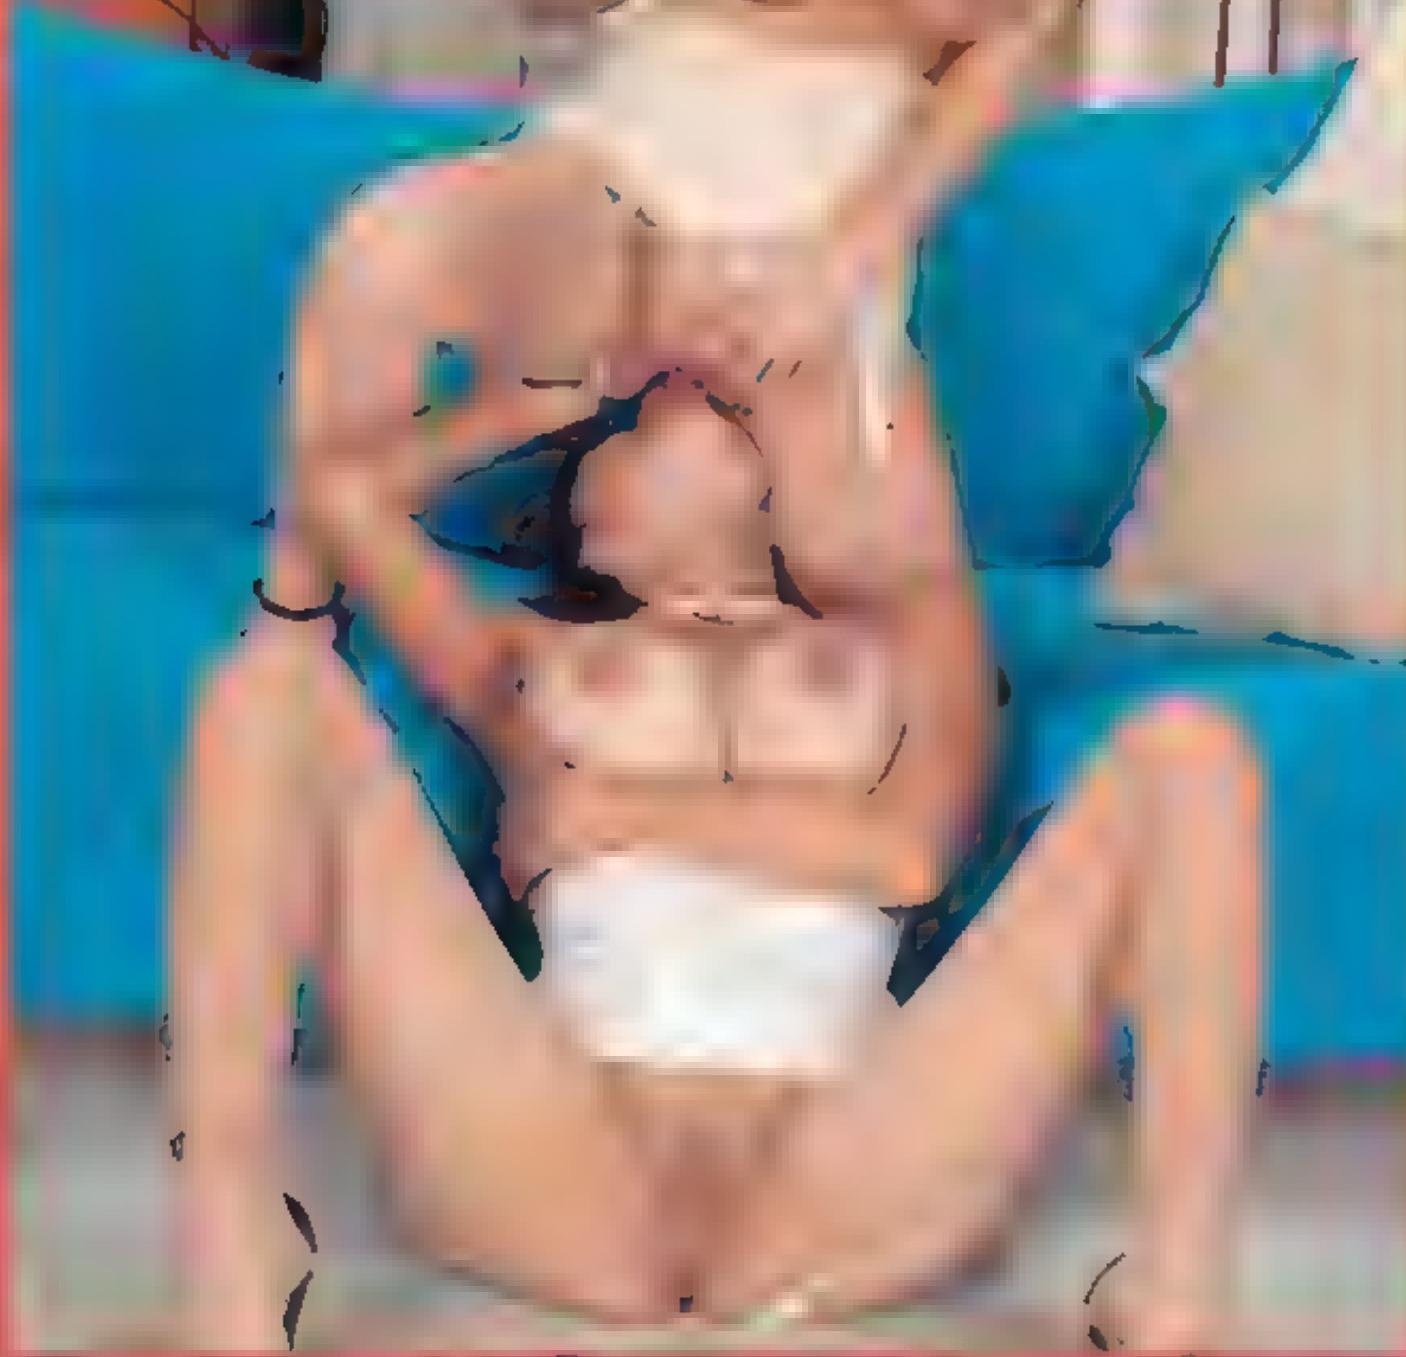

Both Summer and Claudia are relative newcomers to the SCORE family of big-breasted beauties, but we know a good thing when we see it! You can check out (and buy!) their magazine and video appearances at [BoobStore.com](http://BoobStore.com). It's worth the trip. If you think what they do to each other with their hands, mouths, dildos and strap-ons is hot, you won't believe what they do when they get their hands on a real cock. But while you're waiting, enjoy this exclusive girl/girl action from two of the hottest honeys to flash their cans this year.

**Y**ou've never seen SCORE's 2002 Newcomer of the Year Crystal Gumas like this before. We like to call this pictorial "Goldfingering," as the slim 'n' stacked hottie takes the classic scene from the James Bond movie Goldfinger to its logical conclusion.

*"Why do guys always tell me they're spanking off to me? I wish they would say it nicer, like 'I enjoy your photos.'"*

Location shoots can be particularly grueling for models who are accustomed to being pampered and primped in a fancy studio. But, you'll be happy to know, our girls are real troopers who never let the elements affect their work—or their sex appeal! Of course sometimes a little horseplay can turn tough conditions into a party, and if SCORE models know anything, it's how to have a good time, no matter what. Many of these photos were snapped during the shenanigans taking place on our Fabulous Boob Cruises, the videos of which are available for order at [eBoobStore.com](http://eBoobStore.com).

tion, a classic pin-up, come to life.

Her fun pose dissipated as she brought her gaze down to meet mine. Then it shifted lower, to my obvious hard-on, and a naughty smile erupted.

"Well," she giggled. "I will take that as the highest compliment."

"Nina," I stammered, apologetic. I didn't want to be unprofessional.

"Jerry," she said, daintily removing her heels so she could step gracefully aboard, "no apologies necessary. I came here because you love big breasts more than any man I've ever known. You create costumes that make beautiful things even more beautiful. I want you to make me a costume that will wow my fans even more than these will when I take it off."

I still hadn't broken my gaze.

"Nina, I don't see how that could even be possible."

She giggled again, and turned my face to hers. "Jerry," she said sweetly, pretty aqua eyes direct and playful. "Nina always bragged about your big, thick cock..." She slid her hand inside my robe and wrapped her manicured fingers around my shaft. I think it was the hardest it's ever been. "...and now I see it wasn't just B.S."

I looked at her perfect lips, coated with an imperceptible layer of candy-pink gloss, and she licked them.

"Do you think you can come up with something for me?"

"Are we talking about the costume right now?" I asked.

She laughed. "Yes...but that's not all." Then she led me inside, using my dick as a leash.

She was as tall as me without the shoes, and she backed into the corner of the salon's couch, stretching a leg in either direction, revealing panties the same corn color as her dress. The cotton stretched tight over her mound and a tiny wet spot was growing. So was I.

She peeled her panties to the side and exposed her pussy, shaved completely save a tiny vertical strip of tight brown fur above the slit. Her clit, a round, red ruby, popped into view as she spread her lips for me.

"Would you suck this for me, Jerry?" she asked in a little-girl voice.

I kneeled before her—any man would

have—and moistened my lips for the task, closing them around her sweet bud. I lapped and lapped, exploring every fold of her tasty twat, eyes straining upward, waiting for one of her humongous tits to break free of the dress and reveal itself.

Her fingers worked her mound, massaging it, pulling her labia apart, dunking into her hole for some wetness, and then fingering the clit herself. It was incredibly hot to watch, and I could feel her hitting her stride. Her clit got tighter and harder and even faded in color as she exploded, wetting the cushions and my face with more love juice than I'd ever seen come from a woman. The taste and smell made my cock even harder.

I stood and she knew I was ready. She hooked her thumbs into her top as she regained some composure, but animal lust was in her eyes. She was eager to see my reaction.

Creak

It came from behind, and I wheeled around, dick in hand, to see my Lorraine in the doorway, eyes wide with surprise. One of the best mornings of my life, was now about to morph into the worst. Or was it?

Lorraine's eyes dropped to Nina's soaked slit, with a gaze that I recognized. She was horny!

"Well," she said, hands on her hips—she wore snug-fitting Levi's, a tie-dyed tank top, and plain old flip-flops (that's my girl). "It looks like Nina's already had hers, Jerry. What about me?"

I was still in shock, totally speechless, when Nina chimed in.

"Bring your sweet pussy here, Lorraine. Let's show Jerry what we've been working on."

Lorraine swept past me, removing her clothes as she spoke. "You see, honey—" off came the tank and her breasts sprung free. "I've been so sad without you, trying to think of some way I could stop dancing and make the same money." "The pants eased down and she stepped out of them" and one night while I was taking care of Nina while she recuperated from the operation, she came up with an idea. "

Nina was standing now, her hands roaming over Lorraine's curvy petite body. She was still wearing the yellow dress. Lorraine continued, but was getting hornier by the second.

"The Internet! We set up a room in Nina's house with cameras and now

we put on two shows a day and chat online with our fans. They give us things to do to each other, we wear costumes, have fun, and we're raking it in! Even Nina is ready to cut her hours at the club. And with your costume business taking off, I can quit dancing!"

Nina eased Lorraine down onto the carpet and spread her legs wide. She gazed up at me, "You'll just have to share with me a few times a week," she said, winking, and bent her pink mouth to my wife's beautiful pussy.

Lorraine's hips arched to meet Nina, whose tongue was immersed in the depths of her candied cave. Meanwhile, I still had a hard cock and two blondes before me. Lorraine's words sunk in. I was a little confused, but my dick told me I'd work out the details later. I jumped into the fray.

"Excuse me," I said, "may I cut in?"

Nina laughed. "Why don't I put on a show for you both since my dancing days may well be numbered?"

I helped her to her feet and climbed atop my wife, whose familiar legs wrapped around my waist. As my gun slid into her holster, Nina unleashed the hounds.

Her breasts leapt from her dress like horses from a burning barn, bouncing forth with elasticity and exuberance. Her nipples were a gorgeous reddish-brown, taut and small against their heaving flesh backdrop. She fingered them deftly, settling back into the couch and spreading her legs as she watched me fuck Lorraine.

I couldn't take my eyes off of them — either could my wife. We careened against each other in a frenzy of lust for each other and Nina and, more significantly, Nina's new sweater puppies.

With one hand on that jewel-toned clit and another working her nipple, Nina gazed with intent as I pistoned my pole in and out of Lorraine's welcoming tunnel. Impossibly, we came like dominoes, first Lorraine, whose pulsing pussy milked me dry. As I sprayed my spunk over her rack—the only one I'd ever really loved—Nina brought herself over the waterfall.

As we dressed, I thought about their little business venture. I'd prefer sharing Lorraine with Nina than with a legion of horny guys. Let them all sit home and fantasize about her from a safe distance. Besides, maybe I'll make a cameo appearance once in awhile. □

*Continued from page 34*

After this sweaty activity, Casey retreats to a soapy shower. She dries off and rubs cream all over, a substitute for the scrotal-slop we'd like to spray all over her tits and face. Casey plays tease in the kitchen in a scene you'll never see on the Food Channel.

**ALEXIS LOVING

Finally, Casey checks out one of her SCORE magazines and rubs her pussy in an overt masturbation operation. After blast-off, Casey inserts a finger into her mouth.

In the next scene, Tanya Danielle, who has the perfect bikini body, tucks her tits, cum and asshole. On her back and on her knees, Tanya urges you to spew your load like a whale shooting a geyser out of its blowhole while she cums, staring at the camera and keeping up a chatter of dirty talk that would qualify her for a gold medal in phone sex.

There are two surprises during Heather's scene. The first is the size of the dong she thrusts in and out of her pussy.

The second is the amount of girl-squirt

that gushes out of her pussy as she uses a pussy electro-stimulator to fuck her cunt to a wet climax. There's so much juice, you'll automatically duck for cover.

In addition to scenes with the original SCORE MILF, Alexis Love, and toy-freak Candy Connolly, sultry Angel Eyes gets nasty in a boiling hot scene.

Angel gets hot in a dressing room, first trying on a series of bras, then squeezing into an old-fashioned girdle. She rubs baby oil all over her tits, the very tits that she's let many a club-goer squish their face into during her amazing stage shows.

In SCORE Classics #2, Maxi Mounds, a six-foot-tall Amazon, fondles her gigantic boobs with her hands and then slacks

Since there's not a guy in sight to give her the pounding beef injection she needs, she pulls out one cock-toy after another, sliding them in and out of her horny pussy and ass.

# VIDEO REVIEW

**SCORE**  
Classics #1 & #2

mountainous Maxi actually makes her own bras at home, because no one sells bras that jumbo-sized.

When SCORE talks about sucking on a Colt 45, the Colt 45 we're referring to is the beautiful, big 'n' busty blonde headlining dancer who hails from Corpus Christi, Texas. She's a SCORE regular (two magazine covers in under a year) with a remarkable breast measurement of 25 inches, an incredible weight of nine pounds, and an amazing areola diameter of 3 inches. Colt is dressed to thrill, wearing

black stockings, black high-heeled fuck-me pumps and a black corset in her scene.

She admires her king-sized knockers in the mirror (aren't we all!), squirts some white cream on her beauties, rubs the goo in real well, and then finds a monster dildo to stick into her tight pussy. To bang herself as deeply as possible, Colt kicks her long, sexy legs up in the air so the thing can slide into more and more of her slippery snatch.

Colt keeps her eyes tightly closed as she diligently pumps her pussy, intently focused on working herself up into an orgasmic explosion. What happens is hotter than any stage show Colt has ever done. And that's really saying something!

In Dawn Stone's sizzling segment, filmed in the exotic tropics of the Bahamas, the bouncing Southern charmer spends the day attracting lots of attention with her super-developed body. After hanging out on the beach and walking around town—it's a miracle her ass isn't black and blue from being pinched by a hundred excited sheezebags—Dawn heads back to her hotel room for the evening.

Once she gets all naked and comfy, she shaves her bush bald. Now that she's de-haired and slick, Dawn goes into bed to finger her cunt and squeeze her tits while we enjoy every inch of her creamy, fleshy pink flesh, from toe to head.

In the other not-to-be-missed chapters of *SCORE Classics #2*, the olive-skinned, almond-eyed, stacked Ariana, a tap dancer who wowed both staff and fans on Boob Cruise #5, bellydances, soap herself and plugs her pierced pussy with a vibrator.

Want more? How about exotic stripper Bobbie Roxxxt, who sports a Bottle Page bikini and super-huge tities poured into a white bra. She wears a white corset to match and tan stockings.

Bobbie goes up to fuck her thick-lipped pussy with one of her cunt-tools. This is her only video to date, and *SCORE* is the only men's mag she posed for.

Brittany Love, winner of the Exotic Dancer Big-Bust Entertainer of the Year award, is another Southern charmer with enough heat

She wanders into a private fitness center and uses the equipment including the treadmill—fully nude. Later, she slowly undresses at home, fueling herself up until she needs to satisfy her horny hole. She fills her dripping-wet twat with a buzzer she picked up in an adult book shop and fucks herself to a shuddering climax.

# DOWN BOY!

**Large and  
in charge –  
women who will  
make you crawl**

## MINKA

You might be a vanilla-sex kinda guy, and that's ok, because nothing can prevent you from popping word over any of the homo-gays houses featured here. But if you occasionally crave a walk on the wild side, this stuff's for you! Every one of these women here has posed for conventional photo—extremely sexy ones, we might add. But we convinced them to embrace their inner dominatrix and get a little medieval on our asses, and boy, did they get into it, with a vengeance. Take Minka, for example. The 4'8"-23-36 minx has appeared in the pages of *SCENE* magazine more than 20 times since her debut in 1984. She's one of the coolest performers in *XXX*. And here, without pausing for breath, she takes on the role of a sex-mad dominatrix.

# DOWN, BOY!

BUSTY DUSTY

**I**t takes a lot more than some pointy leather boots and spiky silver jewelry to turn a beautiful, busy woman into a powerful babe who will make you crawl for a sniff of her pussy. It takes a certain attitude, a certain confidence, and an inbred love of sex. Rocki and Busy have all that in spades.

**ROCKI ROADS**

**BIDIKA**

**N**ow, we know tough, domineering dames aren't everyone's cup of tea. But for adding a little spice to the sack, an aggressive gal can't be beat. Wouldn't it be nice if, just for once, instead of you begging for it, your woman ordered you to get naked and get busy hanging loose? If this kind of kink really gets you going, you might want to check out our sister publication, *Big Sex* magazine. Nothing wrong with that. There's also nothing wrong with just enjoying these pics for the hot-bag factor. Whatever floats your boat!

If the incomparable Mod Mounds were not a feature dancer and superstar big-bust model, we imagine she would make the perfect Megastar at our private pool. Her built-in flotation devices alone more than qualify her for the position—in fact, they qualify her for any position. It's an old joke, falling drowning on a beautiful babe has to administer the kiss of life. But these shots of Mod go a long way in proving that even the hold-out old gags came from somewhere. Because it's only in our dreams—or in the pages of *America*—that we would actually consider pulling such a stunt, if only to feel Mod's name heavy against our water-logged chest.

## Dawn Stone

**I**t's almost worth getting sick if you had a guarantee that your health care provider would be wearing a skin-tight uniform with impressive cleavage just busting to get out. Of course, nurses like these only exist in our imaginations, and in the pages of this magazine. Like the delectable Dawn Stone, here. While the super-stacked, 43E-26-34 blonde babe isn't really a nurse, she is a certified life guard. So while she might not be much help in the E.R., if you see her on the beach, be sure to drown. Imagine getting mouth-to-mouth from Dawn. Now, that's a fantasy that might actually come true!

## Angelique & Minka

CORE superstars Minka (44KK-23-35) and Angelique (36EEE-25-36) went the extra mile when we begged them to play doctor for us. As you can see, there's nothing a little Jazzi action won't cure. And 40-26-36 Harmony Bliss wasn't exactly minor league, either. The buxom Miss Bliss competently demonstrates the proper way to swallow, using a medically prescribed dude.

**Kelly  
Madison**

**SexAhhhhh!**

**K**elly Madison, 40-24-34, could have been a nurse. The former corporate sales rep is certainly smart enough. But then, ethical considerations may have kept her from flashing her cans and cootch. And that would have made us sick!

**B**ut it was also the way she handles medical instruments that helped Denise win the naughtiest nurse award. That, and the fact that after looking at her, it's just as well this issue has come to an end. Because this kinder way of denuding features has plain dried us dry.
